

Crystal Spheres Empowerment

(ARTWORKS AND EMPOWERMENT MANUAL

BY EL...MESSENGERS OF SPIRIT)

About the Empowerments

These are visually energetic empowerments....

All Spheres are imbued with their crystals qualities....

*Concentrate on the beauty of the crystal within the
sphere.....there may be a few guiding Key Words placed under the
sphere....*

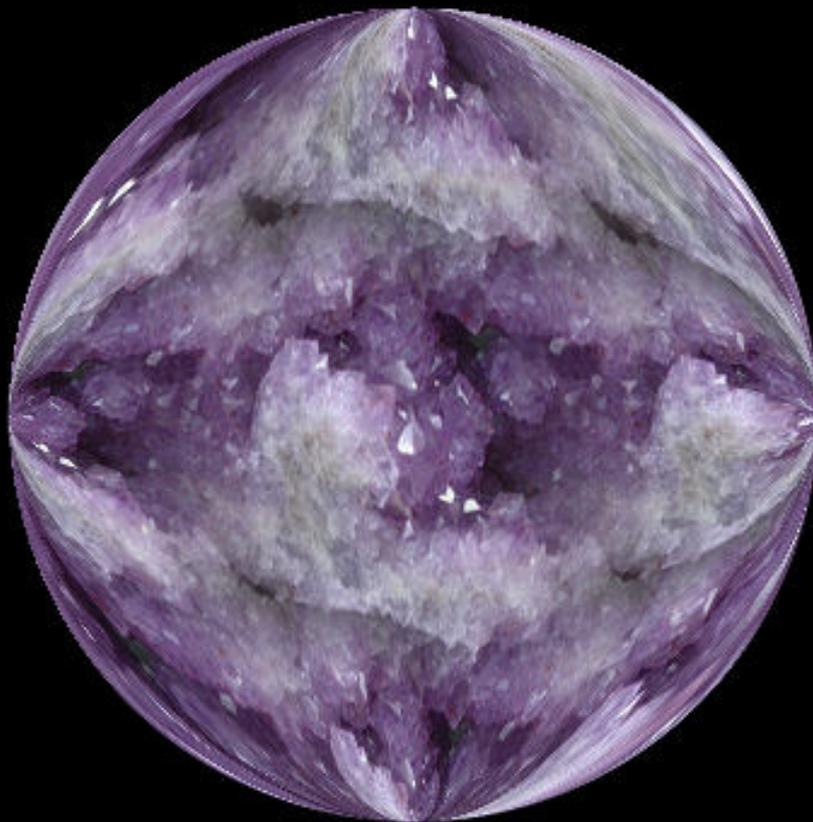

*The empowerments are energized....interactive....meetings with
the crystalline message within....*

*They work within Divine Timing....and connect in a way that
enhances you with the highest good of all....*

Enjoy....the eternal wisdom of the Mineral Kingdom....

*The stones/crystals/minerals are crying out to us....singing us
home****

Amythest

Key Words: Spiritual, psychic insight, powerful, higher self, regeneration, intuition & dreams.

The lavender–pink colour amethyst relates to the Heart chakra, to open and lighten up a betrayed heart and to heal the sense of loss of life and innocence.

Angelite

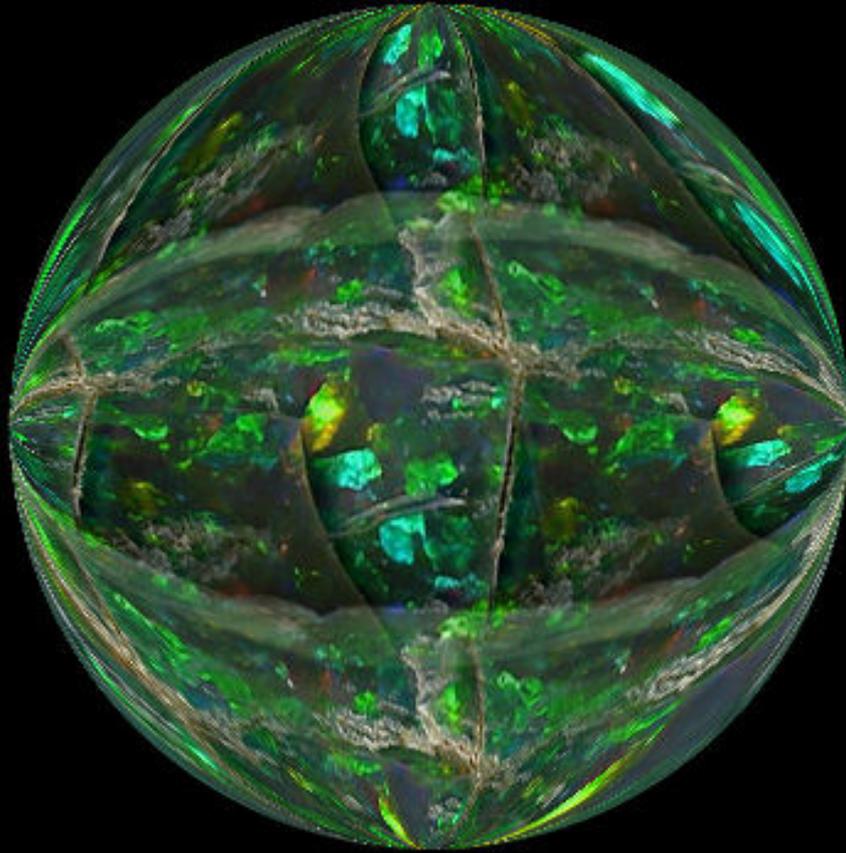

Key words: heightening your awareness of the angelic realm and facilitating angelic contact. It is a beautiful crystal which promotes peace, compassion and understanding...

Aquamarine

Key Words: Stone of Courage, giving the wearer strength whilst calming and soothing and has an affinity with sensitive people. It is said to both shield the aura and also to align the chakras and sharpens the intuition. This makes it an excellent crystal to wear whilst meditating.

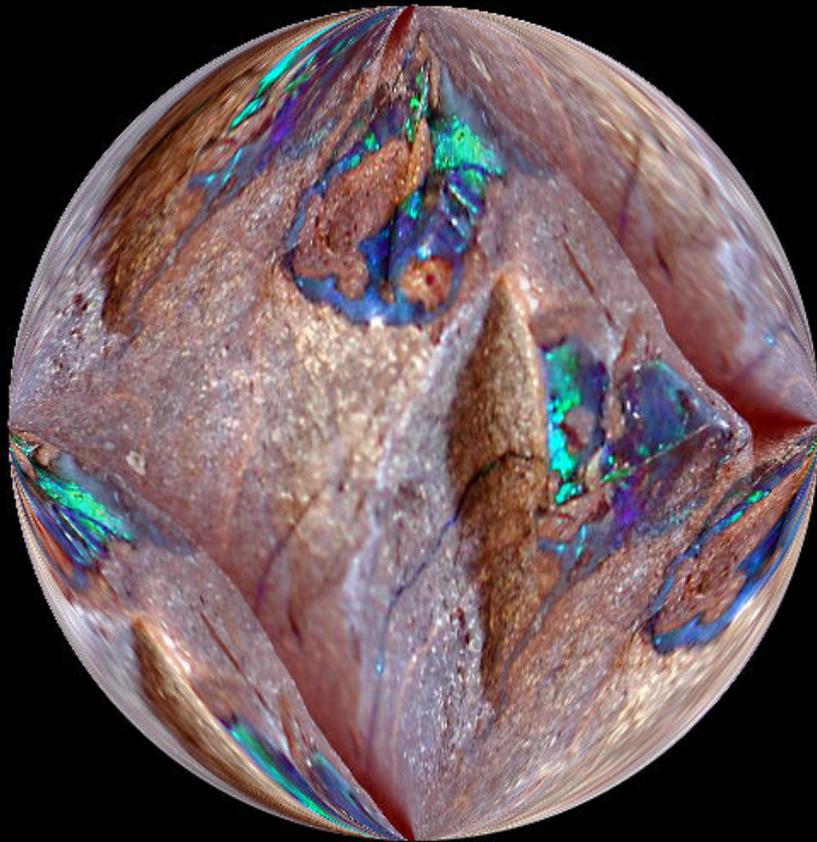

Black Opal

Keywords: Purification, Healing, Calming, Emotional Protection

Black opal is regarded as an extremely lucky stone. In ancient times opal was accepted as a symbol of faithfulness and confidence. It has reputed healing properties, especially to increase mental capacities such as creative imagination.

Natural Opal

Opal is a stone of inspiration which enhances the imagination and creativity as well. It helps one release inhibitions and enhances the memory.

Opal is a very spiritual stone... It has been known to bring happy dreams, and also to ease the process of change.

Watermelon tourmaline

There is an old Egyptian legend that tells the story of how the tourmaline, when making the long trip from the earth heart up towards the sun, it traveled along a rainbow, and on it's travels it collected all the colors in the rainbow.

It is said to alleviate pain, protect the nerve cells and strengthen the immune system.

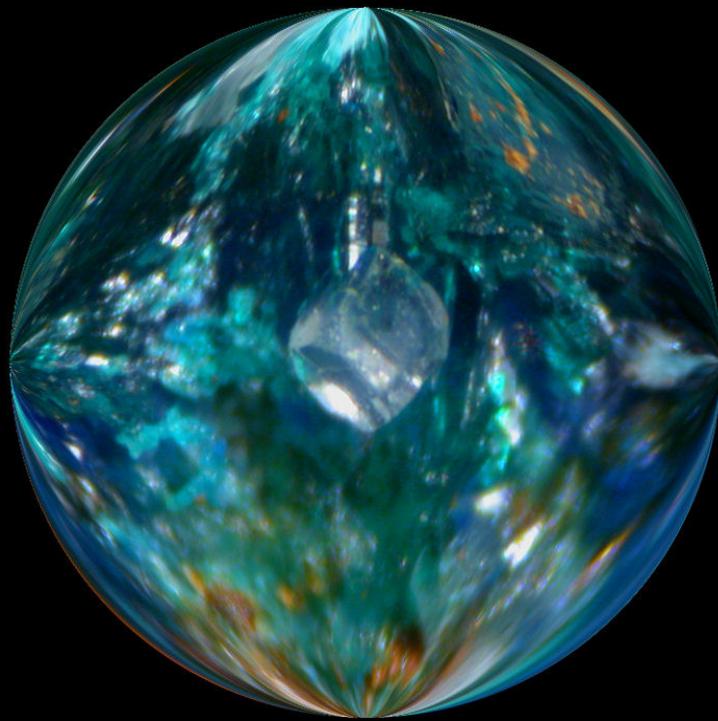

Citrine

Keywords – Citrine – Warming, comforting, uplifting, manifestation, personal-will, mental clarity and creativity.

Citrine opens the inner doors to increased clarity of thought and enhanced creativity. Other than its healing properties, natural Citrine is the great manifesting crystal, allowing one to purify the manifestation channel and bring Divine energy into form through intention and action.

Flourite

Keywords – Fluorite – Coordination, innovation, inspiration, mental enhancement and clarity, improved decision-making and clearing of the energy field.

Blue – Throat chakra– Promotes communication skills.

Peridot

Keywords: Increase prosperity, warmth, well-being

Visionary and good for enlightenment through meditation.

- *Heal (Bloodstream, Heart)*
- *Negativity Shield*
- *Soothing*

Rose Quartz

Keywords – Rose Quartz – Love, emotion, release of stress, gentleness, emotional healing and uniting with the Divine.

"Stone for Universal Love" or "The Love Stone", emits a calming energy, removes negativity. Rose Quartz is a Master Healer and transmutes emotional negativity at all levels. It enhances meditation and healing by harmony...

Quartz

Keywords – Clear Quartz – Brightening, organizing, amplifying, magnification of ambient energies, clearing, cleansing, healing and highly programmable.

Amplifies the energies of other stones. It helps to reveal the truth and brings clarity of thought / mind. Clear Quartz amplifies and strengthens the whole aura...

This is a Harmony Path Manual...

It is a gift for all those Messengers of Spirit...

There is no monetary charge....

However....paying mindful attention to the wisdom of the Mineral Kingdom...and seeking out the associated groups on the network of Messengers of Spirit...would be a great energy exchange....and respect for the hours associated with bringing this manual into being....
